#### **FREE ENTRY**

All festival sessions are free entry for all attendees.

#### **SESSION LANGUAGE AND SIMULTANEOUS TRANSLATION**

The language(s) of each session is indicated by the flag next to the session in the brochure. More than one flag means that more than one language will be spoken by the session speakers.

Simultaneous translation in English-Italian is provided (free) for many festival sessions. The presence of the headphone symbol next to the session in the brochure means that simultaneous translation will be provided.

The programme may be changed for reasons beyond the control of the festival organisation. **Please check the programme updated in real time on the festival website.**

Festival attendees agree to and authorise any future use of voice recording, photos or video taken during the festival.

## ENERGY COMES IN MANY SHAPES AND CONTENTS.

Eni main partner  
of the International  
Journalism Festival.

Eni returns once more to the International Journalism Festival in Perugia, following its live from the #NewsroomEni. How corporate communication department works, how the relationship between media and companies is changing and what brand journalism is: these are just some of the topics that will be shared. Because it's not enough to be good at what you do: nowadays brands need to know how to communicate.

Follow [#energytelling](#) and come to visit the [#NewsroomEni](#) at the International Journalism Festival in Perugia. April 5-9, 2017
