LIVE-STREAMING AND ON-DEMAND VIDEOS

- All festival sessions are live-streamed except those in the Sala Perugino.

The live-streams will be available for viewing on the festival website homepage.

- How can I watch the on-demand video of an IJF session?

1. Via the online speaker list: videos of all sessions in which any given speaker has taken part are embedded at the bottom of his/her speaker profile.
2. Via the online programme: videos are embedded at the bottom of each session page in the festival programme.
3. Via the online video platform media.journalismfestival.com

FREE WIFI username: journalismfestival password: journalismfestival

DOWNLOAD THE FESTIVAL APP [journalismfestival](#)

FREE ENTRY All festival sessions are free entry without any need for registration.

SESSION LANGUAGE AND SIMULTANEOUS TRANSLATION

The language of each session is indicated above the session title.

Simultaneous translation in English-Italian is provided (free) for 44 festival sessions.

The programme may be changed for reasons beyond the control of the festival organisation. **Please check the programme updated in real time on the festival website.**

PROTECTION OF PERSONAL DATA

We inform you that all the sessions organised by IJF are recorded and streamed online. It is also possible that photos of attendees will be taken in the venues and in proximity to the venues. All personal data will be processed according to the European General Data Protection Regulation 679/2016. To know more about the purposes and means of the processing and your data protection rights, please use the following QR-code or visit the link:

<https://www.journalismfestival.com/privacy/>

Google News Initiative

Our effort to help journalism thrive in the digital age through evolving business models to drive sustainable growth, elevating quality journalism and empowering news organisations with new technologies.

FESTIVAL VENUES

GREEN DEAL

TOWARDS A CLIMATE-NEUTRAL EUROPE
A CLEAN, FAIR AND TECHNOLOGICAL TRANSITION.

The European Union has taken concrete action on climate change by launching the Green Deal. The aim is making Europe the first climate-neutral continent by 2050. This is a challenge and, at the same time, the greatest opportunity of our times.

IN EUROPE WE WILL HAVE:

- * Cleaner energy
- * Less waste
- * Healthier food
- * Climate-neutral buildings
- * Sustainable public and private transport
