# SESSION LANGUAGE

This year, a real-time automatic translation service based on artificial intelligence (AI-generated real-time translation) will be provided for all sessions in all venues.

## WHAT TO DO:

Use your mobile phone and your earphones

Connect to the wi-fi **translation#ijf23** (without password)

NB. This wi-fi is for translations only and doesn't provide access to the web

Scan the **QR code** and follow the link

Alternatively, open a Chrome or Safari browser and type in **<http://wai.ijf>**

## Audio and/or text format

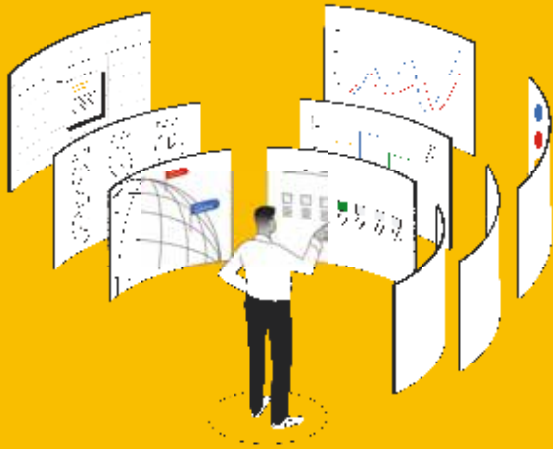

The translations available are from Italian to English and from English to Italian

The programme may be changed for reasons beyond the control of the festival organisation. **Please check the programme updated in real time on the festival website.**

Events organized by IJF are recorded and published regularly on the Internet. Furthermore, it is also possible that attendees are photographed or filmed in the event venues or in the surrounding areas. The shooting and processing of the related data complies with the rules set out in the European Regulation n. 679/2016 (GDPR).

## Resources to help boost your digital journalism skills.

With digital tools and training,  
we help journalists find, verify,  
and tell engaging stories.
